US... IS EMPOWERING

Janice found herself raising her three grandchildren after her daughter was dealing with substance abuse. Janice was worried as the summer approached because she didn't know where she was going to send the kids for the summer and financially she could not take off work. That's when a friend told her about the Y's financial assistance program. Her three grandchildren had a great summer making new friends, learning new skills and going on field trips; they even learned how to swim. Without the Y's financial assistance program Janice would have had no where for her grandchildren to go. She is thankful for the Y.

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
